

Substance abuse is preventable
Addiction is treatable
And
Recovery is possible

Cassandra Hillier

Social Worker/NADDAP Worker

I have been working in the community for a year and half now. If you or someone you know needs to get help, please come and see me at my office at the health center....shortly I will have my office moved in the old co-op building.

I can help with general counseling, help to get in to detox, addiction evaluations as well as doing all the paper work for treatment centers.

If you want to attend AA, NA or GA meetings please call me and we will provide the ride at no cost to you.

Are you ready
for a National
Addictions
Week you will
never forget?
